Procedural Lab Competency Assessment Checklists

Procedural Lab Competency Assessment Checklist

Chapter 8: Hand Hygiene and Garbing

Supplies

- Shoe covers
- Hair cover
- Face mask
- Beard cover (if appropriate)
- Sterile gown
- Presaturated surgical scrub sponge/brush
- Aseptic, lint-free paper towels or sterile gauze
- Sink appropriate for aseptic hand washing
- Sterile, foamed 70% IPA
- Sterile, powder-free gloves
- Waste container

Basic Instructions

- Gather the necessary supplies from the supply list.
- Once your instructor gives you permission to begin, garb in the proper order to the point that you would prior to washing your hands.
- Then proceed to the sink and complete an aseptic hand washing.
- Finally, don a sterile gown and gloves.

Procedural Lab Competency Assessment Checklist

	Yes	No	NA
